D **Gmaj9**
In the chilly hours and minutes
D **G Bm** **G6**
of uncertainty I want to be
D **G** **A7** **D**
in the warm hold of your lovin' mind
D **Gmaj9**
To feel you all around me,
D **G** **Bm** **G6**
and to take your hand along the sand
D **G** **A7** **D**
Ah but I may as well try and catch the wind

When sundown pales the sky
I want to hide a while behind your smile
And ev'rywhere I'd look, your eyes I'd find
For me to love you now
would be the sweetest thing t'would make me sing
Ah but I may as well try and catch the wind

When rain has hung the leaves with tears
I want you near to kill my fears
To help me to leave all my blues behind
Standin' in your heart
is where I want to be and long to be
Ah but I may as well try and catch the wind
