

Cheer Down music by George Harrison Lyrics by George Harrison and Tom Petty

^D
I can see by your grin
^C ^{Bb}
That you're trembling within
^D ^{Gm} ^D
It's all over town, cheer down
^D
And the smile on your face
^C ^{Bb}
Is sometimes out of place
^D ^{Gm} ^D
Don't mind, no frowns, cheer down.

^{Em} ^{Bb} ^D
If your hair should fall
^{Em} ^{Bb} ^D
If your shares should crash
^{Em} ^{Bb} ^D ^A
You'll get by even without getting a rash

^D
There's no tears to be shed
^C ^{Bb}
I'm gonna love you instead
^D ^{Gm} ^D
I want you around, cheer down.

^{Em} ^{Bb} ^D
When your teeth drop out
^{Em} ^{Bb} ^D ^A
You'll get by even without taking a bite

Solo: ^D ^C ^{Bb} ^D ^D ^{Gm} ^D

^D
If your dog should be dead
^C ^{Bb}
I'm gonna love you instead
^D ^{Gm} ^D
The world loves a clown, cheer down.

^D ^{Gm} ^D
