

Freight Train

(James/Williams)

C G7
Freight train, freight train, goin so fast

C
Freight train, freight train, goin so fast

E E7 F
I don't know what train he's on

C G7 C
Won't you tell me where he's gone

C G7
Don't know where he's headin for

C
What he's done against the law

E E7 F
Got no future, got no hope

C G7 C
Just nothin but the rope

C G7
Freight train, freight train, goin so fast

C
Freight train, freight train, goin so fast

E E7 F
I don't know what train he's on

C G7 C
Won't you tell me where he's gone

C G7
He lost his reason, lost his life

C
He killed his friend in mortal strife

E E7 F
He must have moved like the golden skies

C G7 C
Just a-waitin til he dies

C G7
Freight train, freight train, goin so fast

C
Freight train, freight train, goin so fast

E E7 F
I don't know what train he's on

C G7 C
Won't you tell me where he's gone

C G7
When he dies, just bury him please

C
Way down the end of old Chestnut Street

E E7 F
Poplars at his head and feet

C G7 C
And tell them he's gone to sleep

C G7
Freight train, freight train, goin so fast

C
Freight train, freight train, goin so fast

E E7 F
I don't know what train he's on

C G7 C
Won't you tell me where he's gone
