

## Looking For The Summer

**Bm**  
Look deep into the April face

**G**  
A change is clearly taking place

**Em**  
**A** **Bm**  
Looking for the summer

**Bm**  
The eyes take on a certain gaze

**G**  
And leave behind the springtime days

**Em**  
**A** **Bm**  
Go looking for the summer

**D** **A**  
This ain't no game of kiss and tell

**Bm** **G**  
The implications how you knew so well

**Em**  
**A** **Bm**  
Go looking for the summer

solo 2 vers

**D** **A**  
The time has come and they must go

**Bm** **G**  
To play the passion out that haunts you so

**Em**  
**A** **Bm**  
Looking for the summer

**Bm**  
Remember love how it was the same

**G**  
We scratched and hurt each other's growing pains

**Em**  
**A** **Bm**  
We were looking for the summer

**D** **A**  
And still I stand this very day

**Bm** **G**  
With a burning wish to fly away

**Em** **A..** **Em** **A**  
Mhm Mhm

**A** **Em**  
I'm still looking,

**A** **Bm**  
looking for the summer
