(Beatles)

This happened once before  
When I came to your door  
No Reply  
They said it wasn't you  
But I saw you peep through your window  
I saw the light, I saw the light  
I know that you saw me  
'Cause I looked up to see your face

I tried to telephone  
They said you were not home  
That's a lie  
'Cause I know where you've been  
I saw you walk in your door  
I nearly died, I nearly died  
'Cause you walked hand in hand  
With another man in my place

If I were you I'd realize that I  
love you more than any other guy  
And I'll forgive the lies that I  
heard before when you gave me no reply

I tried to telephone...
