

This is my life *Gasolin*

C C G7
This is my life
Am F
this is my time
Am G7
you show me the light
F C
and I go there.

C C G7
Give me the wine
Am F
bitter and sweet
Am G7
and a little bit of bread
F C
that's all I need.

Am Em
No, I don't want the gold from Xanadu
F C
I think I leave it all to you
Am G7 F C
this is my life and I don't care.

C C G7
This is my street,
Am F
are you restless feet
Am G7 F C
carry me on to anywhere.

C C G7
Take the fear
Am F
take it away
Am G7
and give me some hope
F C
for one more day.

Am Em
I saw a ghost behind the door
F C
when the kids were coming home from the war
Am G7 F C
with broken dreams and nothing more.

Am Em
I heard a woman singing her song
F C
and it was good and warm and strong
Am G7 F C
She made me cry I don't know why.

Solo

Am Em
I heard a woman singing her song
F C
and it was good and warm and strong
Am G7 F C
She made me cry I don't know why.

Am Em
I don't want to bring you down
F C
I think it's good to be here
Am G7 F C
this is my life and I don't care!
