

When You Walk In The Room

Jackie DeShannon

verse 1

I can feel a new expression on my face
E
I can feel a glowing sensation taking place
D E A F#m
I can hear the guitars playing lovely tunes
D C#m E A
Every time that you walk in the room

verse 2:

A
I close my eyes for a second and pretend it's me you want
E
Meanwhile I try to act so nonchalant
D E A F#m
I see a summer's night with a magic moon
D C#m E A
Every time that you walk in the room

bridge:

D C#m E
Maybe it's a dream come true
D C#m E
Walking right alongside of you
A F#m
Wish I could tell you how much I care
B7 E
But I only have the nerve to stare

verse 3:

A
I can feel-a something pounding in my brain
E
Just anytime that someone speaks your name
D E A F#m
Trumpets sound and I hear thunder boom
D C#m E A
Every time that you walk in the room

outro:

D C#m E A
Every time that you walk in the room
