

## Things have changed Bob Dylan

**Gm**  
A worried man with a worried mind  
**Cm**  
No one in front of me and nothing behind  
**Gm**  
There's a woman on my lap and she's drinking  
**D7** champagne  
**Gm**  
Got white skin, got assassin's eyes  
**Cm**  
I'm looking up into the sapphire tinted skies  
**Gm** **D7** **Gm**  
I'm well dressed, waiting on the last train  
**Eb** **D7** **Gm**  
Standin' on the gallows with my head in the noose  
**Eb** **D7**  
Any minute now I'm expectin' all hell to break  
loose  
**Gm**  
**People are crazy and times are strange**  
**Cm**  
**I'm locked in tight, I'm out of range**  
**Gm** **D7** **Gm**  
**I used to care but - things have changed.**

**Gm**  
This place ain't doin' me any good  
**Cm**  
I'm in the wrong town, I should've been in  
Hollywood  
**Gm**  
Just for a second there I thought I saw something  
**D7** move  
**Gm**  
Gonna take dancin' lessons, do the jitterbug rag  
**Cm**  
Ain't no shortcuts, gonna dress in drag  
**Gm** **D7**  
Only a fool in here would think he got anythin' to  
**Gm** prove  
**Eb** **D7** **Gm**  
Lotta water under the bridge, lotta other stuff too  
**Eb** **D7**  
Don't get up gentlemen, I'm only passing through  
**Gm**  
**People are crazy and times are strange**  
**Cm**  
**I'm locked in tight, I'm out of range**  
**Gm** **D7** **Gm**  
**I used to care but - things have changed.**

**Gm**  
I've been walkin' forty miles of bad road  
**Cm**  
If the Bible is right the world will explode  
**Gm** **D7**  
I'm tryin' to get as far away from myself as I can  
**Gm**  
Some things are too hot to touch  
**Cm**  
The human mind can only stand so much  
**Gm** **D7** **Gm**  
You can't win with a losing hand  
**Eb** **D7** **Gm**  
Feel like falling in love with the first woman I meet  
**Eb** **D7**  
Puttin' her in a wheelbarrow and wheelin' her down the  
street  
**Gm**  
**People are crazy and times are strange**  
**Cm**  
**I'm locked in tight, I'm out of range**  
**Gm** **D7** **Gm**  
**I used to care but - things have changed.**

**Gm**  
I hurt easy, I just don't show it  
**Cm**  
You can hurt someone and not even know it  
**Gm** **D7**  
The next sixty seconds could be like an eternity  
**Gm**  
Gonna get lowdown, gonna fly high  
**Cm**  
All the truth in the world adds up to one big lie  
**Gm** **D7** **Gm**  
I'm in love with a woman that don't even appeal to me  
**Eb** **D7** **Gm**  
Mr. Jinx and miss Lucy they jumped in a lake  
**Eb** **D7**  
I'm not that eager to make a mistake  
**Gm**  
**People are crazy and times are strange**  
**Cm**  
**I'm locked in tight, I'm out of range**  
**Gm** **D7** **Gm**  
**I used to care but - things have changed.**
